Lot	Description	
1		<p>Prince is a 5 year old Haflinger gelding. He stands 14+ hands tall and is built like a tank. Prince is ready to W/T/C but is definitely more in his element with the walk and trot. Prince has been driven in a pair and single, but would still be considered green in harness. Sound all around and ready for his next partner.</p>
2		<p>Sweetie is a yearling pony mare. She has been handled and played with by children young and old. She is gentle to be around and is going to make someone a real sweetheart of pony mare! She should mature to around 42-45" tall.</p>
3		<p>Marble is a 5 year old spotted Jenny. She stands 48" tall and weaned a spotted jack this winter. She is currently bred back to a spotted Jack. She is halter broke and is used to running in pasture with various breeds of livestock.</p>

Lot	Description	
4		<p>Beauty is a 5 year old Welsh pony mare. She stands close to 13 hands tall and is broke to ride for the smaller school-aged children. She is in foal to a buckskin Highbrow Cat stallion for this spring. She is gentle to be around and is in the prime of her life to make someone a long-term riding pony.</p>
5		<p>Bobby is a 2 year old crossbred colt. He has started training in harness and has been driven both as a pair and single. Bobby is halter broke, stands good for the farrier, and loves to be brushed.</p>
6		<p>Sammy is a 3 year old miniature donkey jack. Sammy is a tiny 33" tall and is an absolute pet to be around. Sammy has been ridden under saddle and driven both as a pair and single. He is gentle enough for the very smallest of children to brush and play with. He will make someone a wonderful tiny herd jack or riding, driving partner or the cutest pasture ornament money can buy!</p>
7		<p>Teddy is a miniature pony yearling colt. He is a sweetheart to be around and will easily become a favorite in anyone's barn. He is expected to mature at a tiny 32-34" tall. He's the type that will always stay small, sweet, and cute.</p>
8		<p>Poncho is a 2 year old black gelded donkey. He stands 45" tall and is ready to begin training under saddle or in harness. He has also been around various breeds of livestock and would possibly make a nice livestock guardian donkey.</p>

Lot	Description	
9		<p>Trigger is a yearling stud colt gypsy cross out of a palomino quarter horse mare and the palomino Gypsy Vanner stallion named Postman. He is expected to mature to around 15 hands tall and is going to be the chunky type.</p>
10		<p>Pablo is a 9 year old 33" miniature gray Jack. He has spent most of his life pasture breeding Jennys and protecting a herd of sheep. Pablo is halter broke and loves to bray.</p>
11		<p>Ringo is a yearling pony riding horse cross stud colt. He is expected to mature around 45-50". He is halter broke and has been handled. He should make someone a very nice bigger pony for riding and/or driving.</p>

Lot	Description	
12		<p>Gypsy is a yearling mare that is out of a Belgian mare and a Gypsy Vanner stallion. She is already starting to fill out nicely and is expected to mature to 16+ hands tall. Gypsy/Belgian crosses like these are hard to find, especially when they are this pretty.</p>
13		<p>Reggie is a 3 year old standard gelded donkey. He stands 48" tall and is a beautiful red roan color. He is at the perfect age to start under saddle or in harness or has the makings to be a good livestock guardian donkey.</p>
14		<p>Buck is a 2-week old bottle baby Nubian cross buck. He is out of a wonderful milking nanny, is taking the bottle great, and loves attention.</p>
15		<p>Nanny is a 2-week old Nubian cross doeling. She is taking the bottle great, friendly to be around, and out of the nanny with the best temperament and milk production in the herd.</p>

Lot	Description	
16		<p>Jerry is a 4 month old Nigerian dwarf fainting goat cross buckling. He was handled a bunch as a baby and has been running with the big herd for the last month.</p>
17		<p>Tilley is a 4 month old Nigerian dwarf fainting goat cross doeling. She was handled a bunch as a baby and has been running with the big herd for the last month. She is out of a high-producing doe that regularly has triplets and is a great mother.</p>
18		<p>Brand new children's mini pony buggy! This is the perfect sized wagon/cart/buggy for anyone who has children ready to drive and a smaller pony. Ready to pull! Comes with SMV triangle, working lights, pony shafts, and optional handle that allows you to pull the buggy like a wagon.</p>
